The 2009 Resident Component House of Delegates will be held at the Orlando Convention Center Chapin Theater on **Saturday, October 17, 2009**. A letter has been sent to all state societies informing them on their number of resident delegates. A copy of this announcement is also being forwarded to the anesthesiology training program(s) in each state. Residency program chairs are encouraged to work with their state component leadership to nominate interested, qualified residents; however, ***only those residents whose names are submitted by the state component will be considered as the official delegates.***

Please note that *all delegates must be current Resident members of ASA and their component society*. In a manner consistent with the policies of the ASA House of Delegates, the expenses of resident delegates are not reimbursed by ASA.
